

Guidelines for Young People working digitally

During this period of shutdown we want to work digitally to connect, create work and support each other. In order to do this we are going to use digital platforms. When using these platforms it is important to protect you and your families and follow our online code of conduct.

- Never use your full name, first names will do.
- Make sure people you are living with know you are on a live video chat. Don't include them in the chat.

- Remember it's easy to misinterpret things online.
- Refer to the group leader directly if you feel worried about anything.
- Do not record or take photos of anything without the others content.
- If you are worried about anything message the session leader.
